CATALOGUE

**SCHOOL'S BACK
LET'S GO!**

Tomorrow is
in your hands. 

MANIFESTO

**Creating a new world won't be easy,
but let's do it together.**

Sometimes we'll need some extra blue
and green and sometimes some red.

Sometimes it's broken.

Sometimes it's a real mess.

So let's imagine.

Let's draw, let's make mistakes,
and do it all over again.

Keep on colouring, erasing and finding new ideas.

Stop, breathe, start over.

**Changing the world is not a piece of cake,
so we'd better be prepared!**

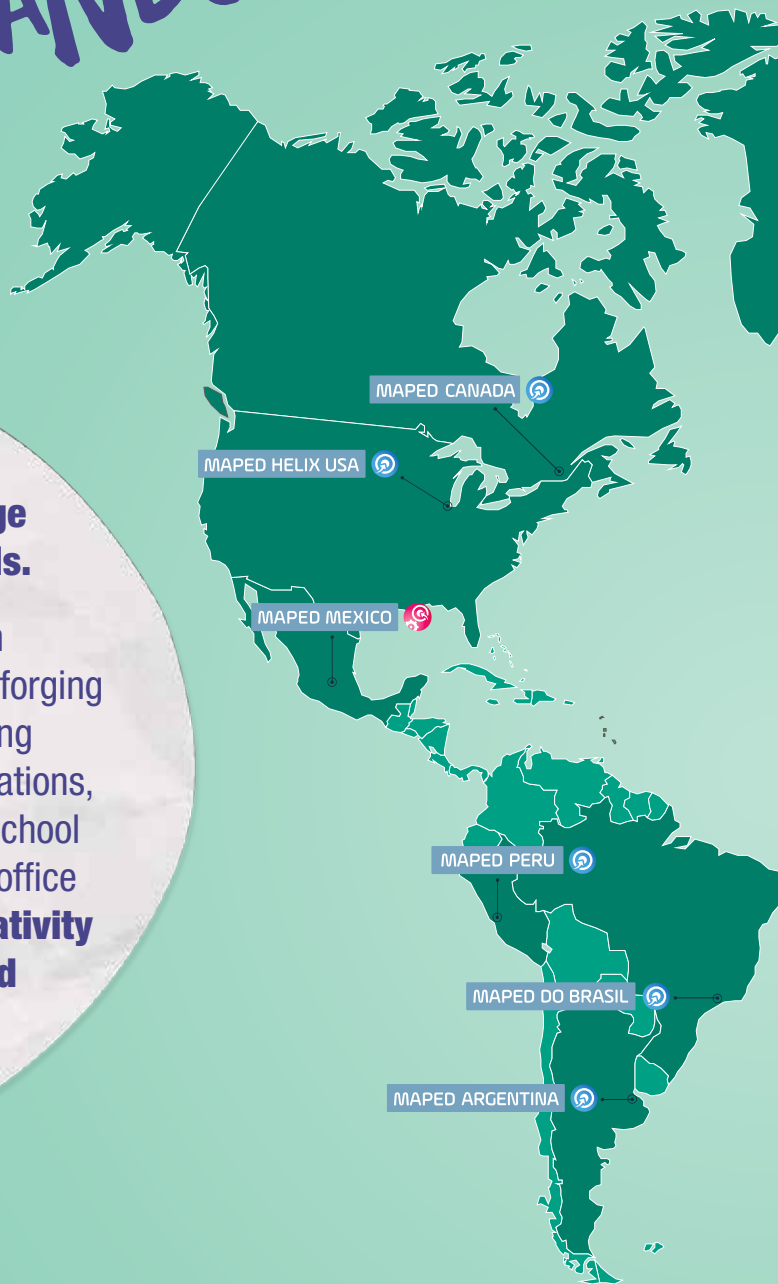

TOMORROW IS IN YOUR HANDS

OUR MISSION

To empower every child to **change the world with their own hands.**

Maped, an independent, French and family-owned company, has been forging its own path since 1947. By passing our expertise down through the generations, we have developed a wide range of school accessories, colouring products and office supplies, fostering **learning and creativity by supporting children around the world.**

AN INTERNATIONAL ADVENTURE

A strong presence in over **120 COUNTRIES** around the world

1800 EMPLOYEES

(including 230 in France)

€204 M

in turnover for 2023

3 INTEGRATED AND RESPONSIBLE PRODUCTION SITES

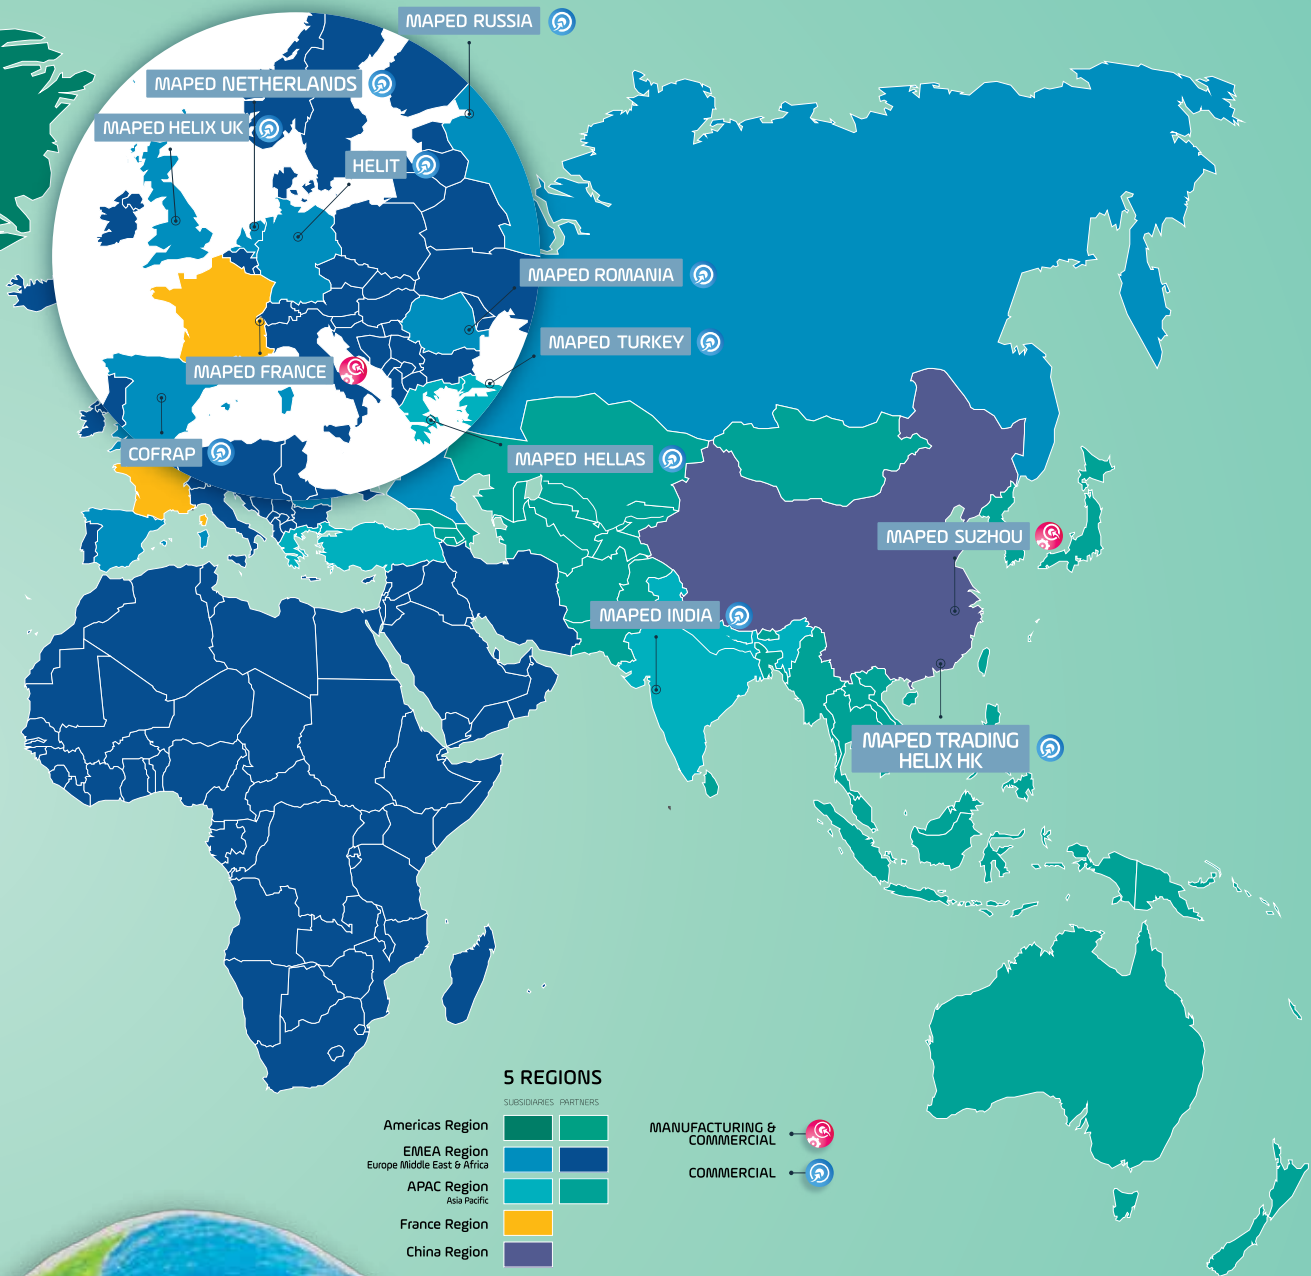

(ISO 14001 and ISO 45001 certified):
